penguin young readers group

**Nonfiction and Informational Titles for All Ages**

# ◆ Nonfiction and Informational Titles ◆ for All Ages

**P**enguin Young Readers Group offers an array of titles that teachers, librarians, and parents can use to explain everything from grammar to sea turtles. Many of the titles included in this brochure are nonfiction, while others are strictly informational offering readers unique insight into a topic of nonfiction.

The titles featured are designated under a main subject category, but please browse the other sections as many of the titles are applicable to more than one category.

## Who's Saying What in Jamestown, Thomas Savage?

Jean Fritz

*Illustrated by Sally Wern Comport*

Thomas Savage was just thirteen when he sailed to the New World and was sent to live with Powhatan to become an interpreter between the Indians and the colonists. Throughout the violent history of Jamestown, Thomas' position provided a unique view of early America.

### A Separate Battle:

WOMEN AND THE CIVIL WAR

Ina Chang

Whether privileged ladies or former slaves, women in the North and South worked as nurses, spies, and volunteers in aid societies; they even fought battles posing as male soldiers. These indomitable women broke taboos.

The impact their presence made will engross and enlighten readers.

PORTRAITS OF WOMEN IN POWER  
Milton Meltzer

"Queens, when they are ruling monarchs, are second choices. They come to power because of the death or absence of kings and must prove themselves capable of political leadership. A few of the 10 chosen by Meltzer ruled with independence and skill.... This book will grace the history shelves and provide pleasure to it readers." —*School Library Journal* ★

### An Inconvenient Truth:

THE CRISIS OF GLOBAL WARMING

Al Gore

Former Vice President Al Gore's documentary and bestselling book, *An Inconvenient Truth*, exposed the shocking reality of global warming. Now Viking Children's Books has adapted Gore's book for perhaps the most important audience of all—today's youth, who have no choice but to confront this planetary emergency head-on.
