

SPIURCH ACADEMY

FOR DISRUPTIVE BOYS

DISRUPTIVE POETRY

As a disruptive boy, Cody Mack doesn't generally do homework. But sometimes to prevent certain teachers from going hysterical, Cody Mack, the Poetic Genius, is able to save the day—when it comes to writing assignments, at least.

Here are a couple of Cody's poems. After you've read them, you can write a poem about *your* school in the space below!

Ketchup is red,
Cheese mold is blue.
The food here at Splurch
Smells like sautéed dog poo.

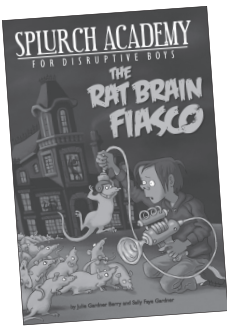

How I love the Academy Splurch!
The teachers all walk with
a lurch.
The headmaster, Farley,
With his brain full of barley,
Tortures boys—calls it
science research.
